

Tidal Wave

The Killers

Hes always trouble with his noncomplacent
Shotgun eyes, shotgun eyes
His subtlety, his mystery
Not like the other guys Shes always taken by his reputation
Hes so bad, hes so bad
On Saturday night, theyre running for the shadow You say your heart aint ever been broken
You think you know where youre going
Tidal wave
Tidal wave come rushing over me
You say this life has given you nothing
You got another thing coming
Tidal wave
Tidal wave come rushing over me Hell get a warning sign to keep his distance
From her old man, from her old man
Now the story of forbidden love
Has gotta make a stand So in the middle of the early morning
Theyll slip away, slip away
And we know theyll do their best
Somewhere in the golden west Oh yeah, and well watch them drive
Theyre so alive You say your heart aint ever been broken
You think you know where youre going
Tidal wave
Tidal wave come rushing over me
You say this life has given you nothing
You got another thing coming
Tidal wave
Tidal wave come rushing over me
Tidal wave These tidal waves are caught off track
Come tomorrow, cause I cant go back
Come together, cant you see
Tidal wave gonna cover me.
These tidal waves are caught off track
Come tomorrow, cause I cant go back
Come together, cant you see
Tidal wave gonna cover me. Cover me
I cant go back
Cant you see
