

# Father Time (Remastered 2016)

## Stratovarius

Walking down the path that leads me to my memories  
Pacing all the way without a care in my stride  
Where are the friends of my yesterday  
Have they moved on with their lives  
Can we still laugh and joke about things like before  
There's no need to hide the past that I have left behind  
It's a good resource somewhere for me to find  
Why am I waiting for someone to reach out  
It should be all up to them  
Keeping in touch ain't that easy but I'll have to try  
Where have all the years gone  
That's what I am asking now  
What have I learnt so far  
Tell me Father Time  
Tell me now  
Now I understand I'll take from time what I need  
And I store it inside it's there for me to find  
I can't deny that the years will pass by  
But it won't bother me  
Coz now I will set out to realize my dream  
Where have all the years gone  
That's what I am asking now  
What have I learnt so far  
Tell me Father Time  
Tell me now
