Light as a Feather

Lunachicks

Light as a feather, stiff as a board
Stii as a week in May
I dare you, I dare you,
Do it now or you can't play
Jump the bridge, just for kicks
Jump the bridge and pray
I dare you, I dare you, do it & die today
Light as a feather, stiff as a board!
Everybody's doin' it,
Don't think your gonna get away
2 fingers all around, light the candle
Raise the dead
Hair raisin on the back of my neck
A wrinkled hand on the tarot deck
I dare you, I dare you,
Don't worry it'll be okay
Light as a feather, stiff as a board!Seance in the summer outside
We'll make out in the pool
Seven minutes in heaven, better do it
Spin the bottle, slip the tongue
Or you wont be cool !It's okay that you did'nt invite me
I could'nt make it anyway
Spin the bottle's just not for me
Anyhow I gotta go to ballet
Boys with cans of Bianca spray
Girl's with floral bouquet
I don't mind if you dare me
I wont be there anyway!
Light as a feather, stiff as a board,
Stiff as a board!
Okay now it's your turn don't look
Stupid don't look prude
Do it baby, baby do it, do it baby, baby do it
Don't you wanna be in?
Oh I know i'm nnot invited to all
the kissin parties after school
Me in my high water apnts
Being dissed by the kids who thought they were cool !
Light as a feather, stiff as a board,

Stiff as a board
