When I'm Gone

Zack Knight

How come, three in the morning you call me up,
Said you miss me and you need some love,
For the tenth time now, who you think you're foolin
and imma say, round of applause for what you did,
Wrapped me right round your fingertips
But I ain't fallin for your bull no moreIt's funny how you only want me when I'm gone,
Only miss me when I'm not around
Only need me when you're feelin lonely
and you need someone to keep you warm ,
You only miss me when I'm gone
only want me when I'm not around,
only need me when you're feelin lonely,
And that's the only time you ever call ,When you gonna wake up, when you gonna see
That I'm the only one that cares , whenever you're in need
Cuz when I try to call ya , I don't hear back for weeks,
Then all of a sudden you're beggin to see me ,
So take one look bound for what you did ,
Cuz I believed It all just like a dick,
But I ain't fallin for your bull no moreIt's funny how you only want me when I'm gone,
Only miss me when I'm not around
Only need me when you're feelin lonely
and you need someone to keep you warm ,
You only miss me when I'm gone
only want me when I'm not around,
only need me when you're feelin lonely,
And that's the only time you ever call , x2
