

Dheere Dheere (From "Dheere Dheere")

[Yo Yo Honey Singh](#)

Har pal meriyaan yaadan, yaadan vich hai tu
Dil di gall main dassan, te dassan phir kinnu x (2)

Teri-meri, meri-teri ek jindhdi

Ek jindhdi what do to

Jhoomu, main naachu, main gaon

Ke likhoon tere liye main kya karoon

Dheere dheere se meri zindagi mein aana

Dheere dheere se dil ko churana

Tumse pyar hamein hai kitna jaan-e-jaana

Tumse milkar tumko hai batana

Shaam wohi, kaam wohi tere bina oh sanam

Neend nahin, chain nahin tere bina o sanam

Shaam wohi, kaam wohi tere bina oh sanam

Neend nahin, chain nahin tere bina o sanam

Teri-meri, meri-teri ek jindhdi

Ek jindhdi what do to

Jhoomu, main naachu, main gaon

Ke likhoon tere liye main kya karoon

Dheere dheere se meri zindagi mein aana

Dheere dheere se dil ko churana

Tumse pyar hamein hai kitna jaan-e-jaana

Tumse milkar tumko hai batana

Teri meri story jaise "Big Bang" theory

Main sunaau chori chori yeh sabko, sabko

Tu mujhse door, main yahaan pe majboor

Shikwa karoon main yeh Rab ko, Rab ko

Ek din tum bin beete lage saal

Mera huwa bura haal, mera huwa bura haal

Haal kabhi apna mujhe to batao na

Aur laut kar kabhi vaapas mere paas aao na

Sota hun, kabhi rota hun tere bina oh sanam

Pakar sab kuchh khota hun tere bina oh sanam

Sota hun, kabhi rota hun tere bina oh sanam

Pakar sab kuchh khota hun tere bina oh sanam

Teri-meri, meri-teri ek jindhdi

Ek jindhdi what do to

Jhoomu, main naachu, main gaon

Ke likhoon tere liye main kya karoon

Dheere dheere se meri zindagi mein aana

Dheere dheere se dil ko churana
Tumse pyar hamein hai kitna jaan-e-jaana
Tumse milkar tumko hai batana
