

# Doin' My Thang

Shanice

Don't be mad , no  
Don't be mad at me, I ain't trying to have your man  
He be watching me  
You're just jealous 'cause you can't make him turn away  
But I can't help it  
I'm just doing my thang, doing my thang  
Your man, tell you he's so in love  
Swear you're the only one, just can't get enough of your loving  
But he be paging me but you too blind to see  
And now you roll your eyes at me cause I stay on his mind  
Don't be mad at me, I ain't trying to have your man  
He be watching me  
You're just jealous 'cause you can't make him turn away  
But I can't help it  
I'm just doing my thang, doing my thang  
Your man, he living in a fantasy, thinking he can get with me  
And you just can't believe I don't want him, no, no  
But I could not pursue something that belongs to you  
So if you wanna play the fool, girl, that's cool I don't mind  
Don't be mad at me, I ain't trying to have your man  
He be watching me  
  
You're just jealous 'cause you can't make him turn away  
But I can't help it  
I'm just doing my thang, doing my thang  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Don't be mad at me, I ain't trying to have your man  
He be watching me  
You're just jealous 'cause you can't make him turn away  
But I can't help it  
I'm just doing my thang, doing my thang  
He said with you is where he wants to stay  
But to me, he says the very same thing  
Don't be mad, I don't want him anyway  
I'm doing my thang, just doing my thang  
Don't be mad at me, I ain't trying to have your man  
He be watching me

You're just jealous 'cause you can't make him turn away  
But I can't help it  
I'm just doing my thang, doing my thang
