## Doin' My Thang

## **Shanice**

Don't be mad, no Don't be mad at me, I ain't trying to have your man He be watching me You're just jealous 'cause you can't make him turn away But I can't help it I'm just doing my thang, doing my thang Your man, tell you he's so in love Swear you're the only one, just can't get enough of your loving But he be paging me but you too blind to see And now you roll your eyes at me cause I stay on his mind Don't be mad at me, I ain't trying to have your man He be watching me You're just jealous 'cause you can't make him turn away But I can't help it I'm just doing my thang, doing my thang Your man, he living in a fantasy, thinking he can get with me And you just can't believe I don't want him, no, no

Your man, he living in a fantasy, thinking he can get with me
And you just can't believe I don't want him, no, no
But I could not pursue something that belongs to you
So if you wanna play the fool, girl, that's cool I don't mind
Don't be mad at me, I ain't trying to have your man
He be watching me

You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thang
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Don't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn away
But I can't help it
I'm just doing my thang, doing my thang
He said with you is where he wants to stay
But to me, he says the very same thing

He said with you is where he wants to stay
But to me, he says the very same thing
Don't be mad, I don't want him anyway
I'm doing my thang, just doing my thang
Don't be mad at me, I ain't trying to have your man
He be watching me

## You're just jealous 'cause you can't make him turn away But I can't help it I'm just doing my thang, doing my thang
