

# Close To You

Anita Wilson

Oh Lord Please tell me what I have to do  
to have a deeper relationship with You  
All of my life, there has never been a closer friend than You  
I am so desperate just to be closer to You Oh Lord Please tell me what I have to do  
to have a deeper relationship with You  
All of my life, there has never been a closer friend than You  
I am so desperate just to be closer to You I want to enter in-to Your courts with Praise  
Worship You for the rest of my days  
I want to go beyond the veil and  
experience how it feels to be with YOU!  
Live a life that pleasing to YOU! Oh Lord, receive my worship  
Oh Lord, receive my praise
