## Youth for Christ

Verse:

You see me now but you don't know just where I've been  
Or what I've gone through  
All I can say is I've been redeemed  
He changed my heart and now I'm free

Chorus:

I make no apologies  
About the way I worship  
He is everything to me  
I owe Him all the praise

Verse:

You see me now but you don't know the many nights  
I've cried all night long  
All I can say is I'm better now  
He changed my life and now I'm free

Chorus

Bridge:

I lift my hands  
Because You're worthy  
I lift my voice  
To sing Your praises  
I will declare your goodness and will always give you glory  
Because You've done  
So many great thing  
Because You are  
The creator of all things  
I will worship you and always give you glory
