Thankful

Shalsheles Junior

Hey my friend can you hear me now
get up on get up on to my sound
don't let anything bring you down
lift your head up and look around

ooh don't listen to what they say
ooh just sing with me

Chorus:
i am who i am, and we are who we are
it's our time to rise and be heard
feel it, excited, united, can't fight it,
takes us over, we are stronger

Bridge:
oh, can't hold me down, it's all around
coming over me and i can't stop,
feeling oh so free, who i want to be
and thankful for everything

Verse:
your've arrived you are right on your way,
take on everything make it your day,
let the music overtake,
all around feel it resonate

ooh together we can say
ooh, you and me
Chorus:
i am who i am, and we are who we are
it's our time to rise and be heard
feel it, excited, united, can't fight it,
takes us over, we are stronger

oh, can't hold me down, it's all around
coming over me and i can't stop,
feeling oh so free, who i want to be
