Musical Genocide

Gregory Porter

I do not agree, this is not for me
No, musical genocide
I will not commit, nor will I submit
To, musical genocide
This is not for me, I wont let it be
No, musical genocide
Give me a blues song, tell the world whats wrong
And the gospel singer, giving those messages of love
Woah, and the soul man, with your heart in the palm of his hand
Singing his stories of love and pain, woahI do not agree, this is not for me
No, musical genocide
I will not commit, nor will I submit
To, musical genocide
This is not for me, I wont let it be
No, musical genocide
Give me a blues song, tell the world whats wrong
And what about the gospel singer, giving those messages of love
And woah, and the soul man, with your heart in the palm of his hand
Singing his stories of love and pain, woahI do not agree
I do not agree, I do not agree
Hey
I do not agree, this is not for me
Come on come on come on come on come on
Come on
