

# Musical Genocide

Gregory Porter

I do not agree, this is not for me  
No, musical genocide  
I will not commit, nor will I submit  
To, musical genocide  
This is not for me, I wont let it be  
No, musical genocide  
Give me a blues song, tell the world whats wrong  
And the gospel singer, giving those messages of love  
Woah, and the soul man, with your heart in the palm of his hand  
Singing his stories of love and pain, woahI do not agree, this is not for me  
No, musical genocide  
I will not commit, nor will I submit  
To, musical genocide  
This is not for me, I wont let it be  
No, musical genocide  
Give me a blues song, tell the world whats wrong  
And what about the gospel singer, giving those messages of love  
And woah, and the soul man, with your heart in the palm of his hand  
Singing his stories of love and pain, woahI do not agree  
I do not agree, I do not agree  
Hey  
I do not agree, this is not for me  
Come on come on come on come on come on  
Come on
