Miracle

Tauren Wells

Yeah
Yeah readyAll these conversations filled with doubt
We dismiss what we can't figure out
I don't have to see to believe in it
I know that it's true 'coz I'm feeling it
I don't need no one to agree with it
There's just too much proof in my lifeLord, I know it's You
In every mountain that You move
Oh, I love the way
That You do the things You do
No one can deny
What I've seen with my own eyes
So I thank You for every miracle
You keep coming through time after time
Showing off the wonders You designed
(Blows my mind)I don't have to see to believe in it
I know that it's true 'coz I'm feeling it
I don't need no one to agree with it
There's just too much proof in my lifeLord, I know it's You
In every mountain that You move
Oh, I love the way
That You do the things You do
No one can deny
What I've seen with my own eyes
So I thank You for every miracle
Lord, I know it's You
In every mountain that You move
Oh, I love the way
That You do the things You do
No one can deny
What I've seen with my own eyes
So I thank You for every miracleOhhh... Oh... Oh... Oh...
Ohhh... Oh... Oh... Oh...
Ohhh... Oh... Oh... Oh...
I thank You for...Over and over and over and over again
I see Your, I see Your
I see Your, I see Your handLord, I know it's You
In every mountain that You move
Oh, I love the way

That You do the things You do
No one can deny
What I've seen with my own eyes
So I thank You for every miracleLord, I know it's You
In every mountain that You move
Oh, I love the way
That You do the things You do
No one can deny
What I've seen with my own eyesSo I thank You for every miracle
Lord, I thank You for every miracle
So I thank You for every miracle
