

# Circle Of Cysquatch (Live at Brixton)

## Mastodon

Elephant spirits  
Tower of ivory  
Story of ancient deities  
Seizure of the fleece  
Protector of its place  
Fly through dreamscapes  
Of valleys gullies and spires  
Herd across suicidal slopes  
Changeless moonshines  
Circle cyclops imageA race of one-eyed beings  
All feared and shunned  
Rakshasa demon  
Seizure of the fleece  
Protector of its placeEyes all around you  
Enter the labyrinth  
Visions of the hunted  
Beware of the birchmenIncisors  
Thought to be  
Skulls of us
