Closer

Floetry

Floetic, Floacism, Fo?ology
It?s Floetry with Whyteleaf, we?re moving closer
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get oh yeah
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get oh yeah
So near yet you?re so far away
I can?t tell you enough how much boy
I want to love you baby
I want to know you baby
You hear, hear me talking to you baby.
Don?t wanna, fight the feeling that I?m feeling.
Give me, a chance to get
Just a little bit closer, oh yeah
Amazing, I rise the occasion is life
And I?m debating if I wanna be your girl or your wife
I?m understanding how your landings got me feeling a vibe
You?re in my lungs, I?m feeling strung, so now I?m chasing a high
You?re in my system, I?m in your wisdom
I am your partner, you are the father
You?re the beginning and I?m the after
I hear the universe, pulling us closer, just a little bit
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
Right there said it?s easy baby
Okay, just free me baby
You hold a special something over me
Oh yeah, and I like that babe
Oh yeah, said you got me babe
So good, don?t stop that baby
You?ve given us a chance
To get a little bit closer, oh yeah
So familiar the situation?s linear

It?s obvious I?m in-a ya
I know you know I?m inna ya
I know you know I?m what you were
Just never ever looking for
I?m what you call impossible or you could say a miracle
I?m in your system, you?re in my wisdom
You are my partner I am the mother
I?m the beginning and you?re the after
You hear the universes pulling us closer, just a little bit
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
So good it feels
How good it feels
So good it feels
So real to me
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
Just a little bit, little bit, little bit, little bit
Can I get a little bit closer?
I?d want to get, closer, to get, oh yeah
