tututu

La Nueva Banda Timbiriche

Take your time and you will see
That there is something so hold on to me
Let's take it back and it take it slow
Cause this is the right way to go
But I don't know what to do
I just got to get through

Tutututututu...
Every time I wonder if it's you
Tutututututu...
Every time I wonder if it's you
I start to notice that it's you

You might break my heart you see
This fear is getting a hold of me
I take it back I take it slow
This is the only way I roll
But I don't know what to do
I just got to get through this

Tutututututu...
Every time I wonder if it's you
Tutututututu...
Every time I wonder if it's you
I start to notice yeah

I don't want to lose all my fear
Cause then I will know you stay here
But after some thinking and one last year
I know it's you

Tutututututu...
Every time I wonder if it's you
Tutututututu...
Every time I wonder if it's you
I start to notice that's it's you
I'm pretty sure it's you
