

Christmas Lights

Coldplay

Christmas night, another fight
Tears, we cried a flood
Got all kinds of poison in
Of poison in my blood
I took my feet to Oxford Street
Trying to right a wrong
Just walk away, those windows say
But I can't believe she's gone
When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all
Up above, candles on air flicker
Oh, they flicker and they float
And I'm up here holdin' on
To all those chandeliers of hope
Like some drunken Elvis singin'
I go singin' out of tune
Sayin' how I always loved you, darlin'
And I always will

Oh, when you're still waiting for the snow to fall
It doesn't really feel like Christmas at all
Still waiting for the snow to fall
It doesn't really feel like Christmas at all
Those Christmas lights light up the street
Down where the sea and city meet
May all your troubles soon be gone
Oh, Christmas lights, keep shinin' on
Those Christmas lights light up the street
Maybe they'll bring her back to me
And then all my troubles will be gone
Oh, Christmas lights, keep shinin' on
Oh, Christmas lights, light up the street
Light up the fireworks in me
May all your troubles soon be gone
Those Christmas lights keep shinin' on
