Submission

La Toya Jackson

[Incomprehensible]I'm on a submarine mission for you baby
Feel the way you were going
Picked you up on my TV screen
I feel your undercurrent flowingSub mission
Going down down, dragging her down
Submission
I can't tell you what I foundYou've got me pretty deep baby
Can't figure out your watery love
Got to solve your mystery
You're sitting it out in heaven aboveSub mission
Going down down, dragging her down
Submission
I can't tell you what I foundWell, it's a mystery under the sea
Under the water it's meSub mission
Going down down, dragging her down
Submission
I can't tell you what I foundI'm on a submarine mission for you baby
Feel the way you were going
Picked you up on my TV screen
I feel your undercurrent flowingSub mission
Going down down dragging her down
Submission
I can't tell you what I found
