This Is Everything

Audio Adrenaline

All my dreams, I had dreamed were dreams of me
All my hopes were desires of what I wanted to be
With ambitions put aside I crawl in your arms to hide
I have given everything up to youThis is all, this is everything
This is all, this is everything
Everything I've gotThe good things and the bad things are in your hands
My hopes and my dreams are in your command
And I come before you now as imperfect as I am
And I give, yes I give it all to youThis is all, this is everything
This is all, this is everything
Everything I've gotThis is everything
This is all, this is everything, everything I've got
This is all, this is everything
This is all, this is everything, everythingThis is all, this is everything
This is all, this is everything, everything
This is all, this is everything
This is all, this is everything, everything I've gotEverything I've got
Everything I've got
Everything I've got
Everything I've got
