

Lollipops And Roses

Perry Como

Tell her you care, each time you speak
Make it her birthday each day of the week
Bring her nice things, sugar and spice things
Roses and lollipops and lollipops and roses One day shell smile, next day shell cry
Minute to minute, youll never know why!
Coax her, pet her, better yet get her
Roses and lollipops and lollipops and roses We try acting grown up, but as a rule
Were all little children, fresh from school So, carry her books, thats how it starts
Fourteen to forty, theyre kids in their hearts
Keep them handy, flowers and candy
Roses and Lollipops and lollipops and roses
