

# Rodeo Clowns (w/ G. Love)

## Jack Johnson

Sweepin' the floors, open up the doors  
Yeah turn on the lights, getting ready for the night  
Nobody's romancing, 'cause it's too early for dancing  
But here comes the musicBright light's flashing  
They cover up your lack of so many people  
So many problems  
So many reasons to buy another round  
Drink it down  
Just another night on the townWith the big man, money man, better then the other man  
He got the plan, with the million dollar give a damn  
What nobody understands  
Become a smaller man, the bright lights keep flashin'  
Women keep on dancing with the clowns,  
Yeah, yeah, yeah,  
They pick me up when I'm down,  
Yeah, yeah,  
The rodeo clowns  
Yeah, yeah, yeah,  
They pick me up when I'm downThe disco ball's spinnin', all the music and the women  
And the shots of tequila,  
Man they say that they need you  
What they really need, is just a little room to breath  
Teeny bopping disco queen  
She barely understands her dreams of belly button rings  
And other kinds of things  
Symbolic of change, but the thing that is strange  
Is that the changes occur  
And now she's just a part of the herd  
Yeah, yeah, yeah  
Man I thought that you heard  
Yeah, yeah  
The changes occurred  
Yeah, yeah, yeah,  
Just a part of the herdLights out, shut down, late night, wet ground  
You walk by look at him, but he can't look at you  
Yeah, you might feel pity, but he only feels the ground  
You understand moves, but he only knows let down  
By the corner, there's another one  
Reaching out a hand, coming from a broken man

Well he tried to live, but he's done trying  
Not dead, but definitely dying  
With the rest of the clowns  
Yeah, yeah  
With the rest of the clowns Sweepin' the floors, open up the doors,  
Yeah turn on the lights, getting ready for the night  
Nobody's romancing, 'cause it's too early for dancing  
But here comes the music
