Rodeo Clowns (w/ G. Love)

Jack Johnson

Sweepin' the floors, open up the doors
Yeah turn on the lights, getting ready for the night
Nobody's romancing, 'cause it's too early for dancing
But here comes the musicBright light's flashing
They cover up your lack of so many people
So many problems
So many reasons to buy another round
Drink it down

Just another night on the townWith the big man, money man, better then the other man He got the plan, with the million dollar give a damn

What nobody understands

Become a smaller man, the bright lights keep flashin'

Women keep on dancing with the clowns,

Yeah, yeah, yeah,

They pick me up when I'm down,

Yeah, yeah,

The rodeo clowns

Yeah, yeah, yeah,

They pick me up when I'm downThe disco ball's spinnin', all the music and the women And the shots of tequila,

Man they say that they need you

What they really need, is just a little room to breath

Teeny bopping disco queen

She barely understands her dreams of belly button rings

And other kinds of things

Symbolic of change, but the thing that is strange

Is that the changes occur

And now she's just a part of the herd

Yeah, yeah, yeah

Man I thought that you heard

Yeah, yeah

The changes occurred

Yeah, yeah, yeah,

Just a part of the herdLights out, shut down, late night, wet ground

You walk by look at him, but he can't look at you

Yeah, you might feel pity, but he only feels the ground

You understand moves, but he only knows let down

By the corner, there's another one

Reaching out a hand, coming from a broken man

Well he tried to live, but he's done trying
Not dead, but definitely dying
With the rest of the clowns
Yeah, yeah

With the rest of the clownsSweepin' the floors, open up the doors,
Yeah turn on the lights, getting ready for the night
Nobody's romancing, 'cause it's too early for dancing
But here comes the music
