charlie boy, don't go to war, first born in forty ? four  
kennedy made him believe we could do much more

play the bugle, play the taps and  
make your mothers proud

raise your rifles to the sky boys  
fire that volley loud

news was bad on upland ave., metuchen mourn our loss  
sons rebelled, while fathers yelled, and mothers clutched the cross

ohhh

play the bugle, play the taps and  
make your fathers proud  
raise your rifles to the sky boys  
fire that volley loud
