

# Silver Star

## Frankie Valli & The Four Seasons

In my dream, I'm a western hero  
Riding my Palomino  
Silver star, there you are, silver star  
Got my gun and my white ten gallon  
Bigger than life, I reckon  
Silver star, there you are, silver star Silver star, silver star  
In my dream I make much Dinero  
Chasin' the Bandelleros  
Silver star, there you are, silver star  
But he, he gave me a nine to five, honey  
Ain't livin' but I'm alive  
Sure cut me down to size  
He gave me the second prize I'm layin' it on the line, honey  
I'll let it go by this time  
Next time around, I'll swear  
Gonna get me somewhere, somewhere  
In my dream, I'm a desert hero  
Bigger than Valentino  
Silver star, there you are, silver star  
Leading ladies in warm embraces  
Ecstasy on their faces  
Silver star, there you are, silver star
