Angel

The Adicts

You are an angel
That money couldn't buy
You are an angel
Oh Lord, don't ask whyYou are a lover
Seductive from the start
You are a lover
That mends my broken heartAnd when you bang your gong
I will surely run to you
My angel, my angel, my angel, yeahYou are an angel
A messenger of peace
You are the beauty
That soothes the savage beastYou are a lover
Seductive from the start
You are a lover
That mends my broken heartAnd when you bang your gong
I will surely run to you
My angel, my angel, my angel, yeah
My angel, my angel, my angel, yeahAnd when you bang your gong
I will surely run to you
My angel, my angel, my angel, yeah
My angel, my angel, my angel, yeahMy angel, my angel, my angel, yeah
My angel, my angel, my angel, yeah
