

I Can't Make You Love Me

[Adele](#)

Turn down the lights
Turn down the bed
Turn down these voices inside my head
Lay down with me, and tell me no lies Just hold me closely, don't patronize
Don't patronize me.
Cause I can't make you love me if you don't
You can't make your heart feel something that it won't And here in the dark, and in these final hours
I will lay down my heart and I will feel the power
But you won't, no you won't
Cause I can't make you love me when you don't
When you don't I'll close my eyes, 'cause then I won't see
The love you don't feel when you're holdin me
Mornin will come and I'll do what's right
Just give me till then to give up this fight
And I will give up this fight. Cause I can't make you love me if you don't
You can't make your heart feel something that it won't And here in the dark, and in these final hours
I will lay down my heart and I will feel the power
But you won't, no you won't
Cause I can't make you love me when you don't
When you don't
