Teach Me

Bakermat

Teach me master
Master teach me
Oh, I would not live
Live a liar
Teach me how to wait
I tell you the reason why
Oh, when I bow at the altar
Teach me what to say, uh huhC'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach meTeach me master
Master teach me
Oh, I would not live
Live a liar
Teach me how to wait
I tell you the reason why
Oh, when I bow at the altar
Teach me what to say
Oh, when I bow at the altar
Teach me what to say, uh huhC'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
