

All Said and Done

Eyes of Fire

Does it hurt you? Do you feel pain? Does it hurt you to be here with me?

Does it hurt you? Can you feel pain? Does it hurt you?

Because I need this for me. Does it hurt you like it's hurting me, to see you let go and just fade away?

I know I've hurt you. It's time to let go of all that you are and all that you know.

Walk away from everything and everyone. It's all said and done. I feel I've known this for far too long.
