

# Collide

**Sawyer Fredericks**

The dawn is breaking  
A light shining through  
You're barely waking  
And I'm tangled up in you  
YeahBut I'm open, you're closed  
Where I follow, you'll go  
I worry I won't see your face  
Light up againEven the best fall down sometimes  
Even the wrong words seem to rhyme  
Out of the doubt that fills my mind  
I somehow find, you and I collideI'm quiet, you know  
You make a first impression  
I've found I'm scared to know  
I'm always on your mindDon't stop here  
I've lost my place  
I'm close behindYou finally find  
You and I collide  
You finally find  
You and I collide
