

# If I Had a Hammer

Nancy Griffith & Friends

If I had a hammer,  
I'd hammer in the morning,  
I'd hammer in the evening,  
    All over this land,  
    I'd hammer out danger,  
    I'd hammer out a warning,  
    I'd hammer out love between,  
    My brothers and my sisters,  
All over this land.If I had a bell,  
    I'd ring it in the morning,  
    I'd ring it in the evening,  
    All over this land,  
    I'd ring out danger,  
    I'd ring out a warning,  
    I'd ring out love between,  
    My brothers and my sisters,  
All over this land.If I had a song  
    I'd sing it in the morning  
    I'd sing it in the evening  
        all over this land  
    I'd sing out danger  
    I'd sing out warning  
    I'd sing out love between  
        my brothers and my sisters  
all over this landWell, I've got a hammer  
    and I've got a bell  
    and I've got a song to sing  
        all over this land  
    It's the hammer of justice  
    It's the bell of freedom  
It's a song about love between my  
    brothers and my sisters  
all over this landIt's the hammer of justice  
    It's the bell of freedom  
It's a song about love between my brothers and my sisters  
    All over this la-a-and
