Forgive Me

Faktion

Concentrating on my knees
Cause they're no help to me
I find myself with simple questions
And simple needsBleeding forces gather me
Undo my weakness and appease
My sadness and guilt
Of what was done for meI'll know what you are
The light in the dark
And I'll see what you areForgive meAnd I'll take what you are
Over again
I'll need nothing moreTake meMany voices speak
Many times I am weak
Many things escape
It's part of me
Many chances that I take
To kill you again
It should've been me
And EveryoneI'll know what you are
The light in the dark
And I'll see what you areForgive meAnd I'll take what you are
Over again
I'll need nothing moreTake meTake me
See who you are
Know who you are
See who you are
Take meI'll know what you are
The light in the dark
And I'll see what you areForgive meAnd I'll take what you are
Over again
I'll need nothing moreTake meForgive me
