

# I'm Sick of You

**Iggy & The Stooges**

Goodbye, Betsy, I'm goin' away  
I'm sick of you and there ain't no way  
Don't want to know, don't want to see  
Don't you ever bother meSick of hanging around your pad  
Sick of your Mom and sick of your Dad  
Yes and Betsy, it's sad but true  
Now I'm even sick of youNo way, no way, no way  
No way, no way, no way  
No way for our love  
No way for our love  
'Cause I'm sick of youGood bye, Betsy, I'm going away  
I'm sick of you and I don't wanna stay  
Don't want to know, don't want to see  
Don't you ever bother meSick of hanging in around your pad  
Sick of your mom and sick of your dad  
Yes and Betsy it's sad but true  
Now I'm even sick of youNo way, no way, no way  
No way, no way, no way  
No way for our love  
No way for our love  
No way for our loveEvery evening and every day  
Seem to always turn out this way  
To get an end, I better find new love  
Then you'll pay, then you'll pay, ain't no way  
'Cause I'm sick of youGoodbye, Betsy, I'm going away  
I'm sick of you and I don't wanna stay  
Don't want to know, don't want to see  
Don't you ever bother me
