

It's Alright

Matt & Kim

Maybe we're going nowhere fast

Oh

And maybe we never even touched the gas

Oh Alright, it's alright, it's alright

You'll see

Oh

Alright, it's alright, it's alright

Believe

Oh These building tops

They connect the whole block

Oh

You threw the keys down

And I found my way up

Oh One day I'll remember

How the words go

If one day you'll teach me

All the right notes
