

# Never Be The Same

## Red

I know you, who are you now?  
Look into my eyes if you can't remember  
Do you remember? Oh  
I can say, I can still find  
You are the only voice my heart can recognize  
But I can hear you now, yeah  
I'll never be the same  
I'm caught inside the memories  
The promises, our yesterdays  
And I belong to you  
I just can't walk away  
'Cause after loving you  
I can never be the same  
And how can I pretend I never knew you  
Like it was all a dream, no  
I know I'll never forget  
The way I always felt with you beside me  
And how you loved me then, yeah  
I'll never be the same  
I'm caught inside the memories  
The promises, our yesterdays  
And I belong to you  
I just can't walk away  
'Cause after loving you

I can never be the same  
You left me here then I watched you disappear  
You left this emptiness inside  
And I can't turn back time  
No, stay  
Nothing compares to you, nothing compares to you  
I can't let you go, can't let you go, I can't let go  
I'll never be the same  
Not after loving you  
Not after loving you, no  
I'll never be the same  
I'm caught inside the memories  
The promises, our yesterdays  
And I belong to you

I just can't walk away  
'Cause after loving you  
I can never be the same  
I can never be the same  
I will never be the same  
I just can't walk away  
No, I can't walk away from you
