

My Lucky Day

Bruce Springsteen

In the room where fortune falls
On a day when chance is all
In the dark of fierce exile
I felt the grace of your smile Honey, you're my lucky day
Baby, you're my lucky day
Well I lost all the other bets I made
Honey, you're my lucky day When I see strong hearts give way
To the burdens of the day
To the weary hands of time
Where fortune is not kind Honey, you're my lucky day
Baby, you're my lucky day
Well I lost all the other bets I made
Honey, you're my lucky day Whoa! [guitar solo]
[sax solo] I've waited at your side
I've carried the tears you've cried
But to win, darlin' we must play
So don't hide your heart away Honey, you're my lucky day
Baby, you're my lucky day
Well I lost all the other bets I made
Honey, you're my lucky day Whoa!
