

# Where Love Went Wrong

## Augustana

The day is done and now we're older  
The feeling's gone so now you'll show her  
Where love went wrong on your shoulder  
But I try, but I try, but I  
Bye, bye, bye  
You're all alone and you can't take it  
You're just too tired to suffocate it  
And all alone we'll just fake it  
But I try, but I try, but I  
Bye, bye, bye, no  
You try to breathe, you try to save it  
It marks your skin until they break it  
Could you call when they're taking  
All that you left for me  
But I try, but I try, but I  
Bye, bye, bye, bye, bye, bye, bye, bye, bye  
No, no, no, no, no, no  
No, no, no, no, no, no, no, no, no, no
