As Forever Became Never Again

Bobby Bare Jr.

As forever became never again
Your soft blue eyes were rolling to the back of your head
The future was over before it began
As forever became never againAs forever became never again
Welcome to the beginning of the end
Don't you look at me like I'm a fish swimming in the dirt
Making up or breaking up I can't tell you which one is worseForever became never again
What's going to be collided with what might have been
The sound flew in like a drunk honey bee
It was whispering in our ears
'Til our ears began to bleed
Whispering in our ears
'Til our ears began to bleed
