

Unforgiven

Fefe Dobson

Daddy, Daddy
Why you break your promises to me?
Daddy, Daddy
Dont you know you hurt me constantly? And theres something that I think that you should know
Im not the little girl you left waiting at home
All the hurt and pain you left with mom and me
Why cant I be angry? I hope youre somewhere out there listening to this song
I hope youre thinking what you did, indeed was wrong
Well let me make it crystal clear for you to see
Its too late for 'Im sorry' Sorry is a word you like to say
But sorry wont erase the things you did yesterday And I want you to know that I didnt need you anyway
And this rope that we walk on is swaying
And the ties that bind us they will never ever fray
But I want for you to know
You are, you are
Unforgiven, unforgiven Daddy, Daddy
Fan of absolute simplicity
Daddy, Daddy
Expert in responsibility Where were you when I fell down and skinned my knee?
Where were you when I was scared to go to sleep?
Where were you to sooth my insecurities?
Why cant I be angry? Where were you the first time someone broke my heart?
Where were you when I first learned to drive a car?
Where were you when I plugged in my first guitar?
Its too late for 'Im sorry' And I want you to know that I didnt need you anyway
And this rope that we walk on is swaying
And the ties that bind us they will never ever fray
But I want for you to know
You are, you are
Unforgiven, unforgiven You are, you are, you are, you are
Unforgiven
You are, you are, you are, you are
Unforgiven Sorry is a word you like to say
But sorry wont erase the things you did yesterday And I want you to know that I didnt need you anyway
And this rope that we walk on is swaying
And the ties that bind us they will never ever fray
But I want for you to know
You are, you are
Unforgiven, unforgiven You are, you are, you are, you are

Unforgiven
You are, you are, you are, you are
Unforgiven
You are, you are, you are, you are
UnforgivenUnforgiven
Unforgiven
Unforgiven
