

# Horrorshow

## Reuben

I've been following  
Your minds instructions  
Oh how just to slowly, sharply screw myself to death

Ah yes, there is a screw  
It's pointed at my head

Then look a dream peddler  
And a stick of light through my bones  
"Don't get on the wrong one"  
"Oh you and you what's your game"

Laying me down to waste laying me down  
Pin me up or put me down  
Uh uh uh uh oh  
Now let it all go

It's a horror show, you should come on round  
Horror show, the horse is brown  
Uh uh oh left something in Moscow

She said "I'll show you a picture  
A picture of tomorrow  
There's nothing changing  
It's all sorrow  
Oh no please don't show me

I'm a swine, you don't wanna know me"
