

The Innocence

Kids In The Way

Tonight, tonight we're fighting for our lives
And all we know that's right inside
The times we had when you were mineThis is all you're hoping for
This is all you want and more
Inside the times we had when you were mineCome on, come on, what you waiting for?
Feel your heart beat, baby, you want more
Come on, come on, blood, sweat and fears
We're leaving everything right here
We're leaving everything right hereTonight, tonight we'll make the best of broken time
And bury baited hooks and rhymes behind
The innocence of feeling fineThis is all you're hoping for
This is all you want and more
Behind the innocence of feeling fineCome on, come on, what you waiting for?
Feel your heart beat, baby, you want more
Come on, come on, blood, sweat and fears
We're leaving everything right here
We're leaving everything right hereWe light the fire that burns inside your heart
We're guns for hire, we can't stop once we start
Let your body move, oh oh
Let your body move, ohCome on, come on, what you waiting for?
Feel your heart beat, baby, you want more
Come on, come on, blood, sweat and fears
We're leaving everything right here
We're leaving everythingTonight, tonight we're fighting for our lives
And all we know that's right inside
The times we had when you were mineCome on, come on, what you waiting for?
Feel your heart beat, baby, you want more
Come on, come on, blood, sweat and fears
We're leaving everything right here
We're leaving everything right hereCome on, come on, what you waiting for?
Feel your heart beat, baby, you want more
Come on, come on, blood, sweat and fears
We're leaving everything right here
We're leaving everything right here
We're leaving everything right here
We're leaving everything right here
