

Freak Of Nature

Baby Bash

I'm a freak
Excuse me?
What you say to me?
Oh no you didn't
No I'm not
I'm sorry but you know
I ain't that kind of girl
Look at me and see a little girl inside my skin
It's a supernatural, oh
So don't be tryin' to be pushin' up on me baby
My momma taught me better than that
The bigger you are
The harder you fall
I'm about the original
Not typical
Not ooh la la baby
You can hold me responsible
It's chemical
If you bring it out in me
Aah, I'm a freak of nature
You better beware, danger
Aah, I'm your midnight angel
I'm a freak
Come on yeah
I'm a freak of nature
I'm a little material , got bling bling
My glasses gotta shade, yeah
But there's a hippy chick in me
That's barefoot walkin' in the grass
Just 'cause I like sippin' on champagne
Doesn't mean I'm not afraid of the rain
I'm about metaphysical
Not practical
Not plan ahead baby

If you open Pandora's box
Prepare yourself
'Cause the world has been changin'
Aah, freak of nature, yeah

You better beware, danger
Aah, I'm your midnight angel
I'm a freak
(Ooh yeah)
I'm a freak of nature
Freaky deaky lookin' completely
Sassafras so honey drink me
Finger lickin' I've been thinkin'
I'm the bomb your clock is tickin'
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah, I'm about the original
Not typical
Not ohh la la baby
If you open Pandora's box
Prepare yourself
Because the world has been changin'
Aah, freak of nature
You better beware, danger
I'm your midnight angel
I'm a freak
I'm a freak of nature
Aah, freak of nature
You better beware, danger
I'm your midnight angel
I'm a freak
I'm a freak of nature
Oh, that's freak enough for me
