A Whole New World

Brad Kane

(peter)
ooooh
i can show you the world
shining shimmering splendid
tell me princess
now when did you last
let your heart decide
i can open your eyes
take you wonder by wonder
over sideways and under
on a magic carpet ride
[chorus]
(Peter)
a whole new world
a new fantastic point of view
no one to tell us no
or where to go
we say were only dreaming
(Katie)
a whole new world
a dazzling place i never knew
but now from way up here
its crystal clear
that now im in a whole new world with you
(Katie)
unbelieveable sites
indescribable feeling
soaring tumbling free-wheeling
through an endless diamond sky
a whole new world
(peter) dont you dare close your eyes
(katie) a hundered thousand things to see

(peter) hold your breath it gets better
(Both) im like a shooting star, i've come so far
(katie) i cant go back to where i used to be
(peter) a whole new world with new horizons to persue
(Both) i'll chase them any where there's time to spare
(peter) let me share this whole new world with you

ooh
aah
(katie) a whole new world
(peter) a whole new world
(peter) a new fantastic point of view
(both) no one to tell us no or where to go
(katie) or say where only dreaming
(peter) a whole new world
(katie) every turn a surprise
(peter) with new horizons to persue
(katie) every moment gets better
(Both) i'll chase them anywhere there's time to spare
(katie) any where
(peter) there's time to spare
(katie) let me share
(peter) this whole new world
(katie) with you
(peter) oo
(katie) a whole new world
(peter) a whole new world
(katie) thats where we will be
(peter) thats where we will be
(katie) a thrilling chase
(peter) a wonderous place
(Both) for you and me
(peter) ooo yeah
