One of These Days

[FFH](FFH)

One of these days I'm gonna fly over the mountain
One of these days I'm gonna ride on the silver linin'
One of these days I'm gonna witness all I've been missin'
One of these daysOne of these days I'm gonna do all the things that I've never done
I'm gonna finish all the races that I've run but I've never won
And I'm gonna see a million faces and recognize everyone
One of these daysOne of these days
I'm gonna see the hand that took the nails for me
One of these days
I'm gonna hold the key to the mansion built for meOne of these days
I'm gonna walk the streets of gold that were paved for me
One of these days
I'm gonna see my Savior face to face
One of these daysOne of these days I'm gonna see just what became of me
On the day that I believed when You took myself from me
And I believe I will see what I would have been if You didn't save me
One of these daysAnd one of these days I'm gonna talk
With all the saints that have gone before
And in their sandals I will walk and we will sit along the shore
And I will learn all the things that I never knew before
All this and moreOne of these days
I'm gonna see the hand that took the nails for me
One of these days
I'm gonna hold the key to the mansion built for meOne of these days
I'm gonna walk the streets of gold that were paved for me
One of these days
I'm gonna see my Savior face to face
One of these daysOne of these days, one of these days
One of these days, one of these daysOne of these days I'll finally be
In a place where there's no more need
No more pain and no more grief, no more foolish disbelief
And all the joy there will be when at last we finally see
One of these daysOne of these days
I'm gonna see the hand that took the nails for me
One of these days
I'm gonna hold the key to the mansion built for meOne of these days
I'm gonna walk the streets of gold that were paved for me
One of these days
I'm gonna see my Jesus face to face
