

# Exotica

## Roxanna

Carless and free  
A Caribbean breeze  
Sound of Spanish music calls to me in ecstasy  
Heaven is here  
Paradise is near  
This is where I long to be  
You and I in love I want to feel all that is beautiful  
One special kiss  
Something you can't resist  
Fall in a trance  
Slave to my glance  
Touch me once and you will never be the same My heart burns within  
Craves the thought of sin  
Makes you lose your mind as I become Exotica  
You're in my spell  
Kiss you farewell  
Spirits become wild  
I am Exotica... Fall to my knees  
Nothing as it seems  
Give yourself to me and I will melt your broken heart
