Should It Matter

Sissel

I look at you
Please donÂ´t walk away
I see youÂ´re about to
There is just something IÂ´d really like to say
So please donÂ´t walk away

I know that youÂ´re there
Still you pretend youÂ´re not
Yes I know it hurts
I have also felt the pain

So should it matter
What I do or what IÂ´ve done
As long as in my heart
YouÂ´re still the only one
I hear you say it
But I donÂ´t think you understand
I can be trusted now, I swear to you I can

ItÂ´s been a year
a memory from my past
I know what I did wrong
I wish to change
Just to make it last
But I guess itÂ´s been to long

Easy to move on
To forget about it all
Is that what you do, hoping I will be gone

So should it matter
What I do or what IÂ´ve done
As long as in my heart
YouÂ´re still the only one
I hear you say it
But I donÂ´t think you understand
I can be trusted now, I swear to you I can

If you got to know me again
Maybe then â€“ maybe then

We could see what we should do
But thatÂ´s all up to you
IÂ´ll be waiting for you
