Pulling Teeth

Green Day

I'm all busted up
Broken bones and nasty cuts
Accidents will happen
But this time I can't get upShe comes to check on me
Making sure I'm on my knees
After all she's the one
Who put me in this stateIs she ultra-violent?
Is she disturbed?
I better tell her that I love her
Before she does it all over again
Oh God! She's killing meFor now I'll lie around
Hell, that's all I can really do
She takes good care of me
Just keep saying my love is trueIs she ultra-violent?
Is she disturbed?
I better tell her that I love her
Before she does it all over again
Oh God! She's killing meLooking out my window for
Someone that's passing by
No one knows I'm locked in here
All I do is cryFor now I'll lie around
Hell, that's all I can really do
She takes good care of me
Just keep saying my love is true
