Lost And Found

Auburn

[Intro]I was so lost
But glory you found me
Dusted me off
Now your angels surround me
[Verse 1]Looking at the world in front of me
Saying now that's where I want to be
Knowing they looking down on me
And what they expect of me
Why they make fun of the cross on my necklace
I feel so helpless My life is reckless
On the in I seen her cry. On the out my eyes are dry
[Chorus]I was so lost
But glory you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through
And Lord I am so sorry that I ever doubted you
[Verse 2]I know that I promised Lord that I'd pray
That when you needed me I'll be there
I know I done a lot of things I wish I never did

Knowing there's no greater sin than the other
Hurting my brother, whom I would smother
With all the pain surrounding me
I was so blind but now I see
[Chorus]I was so lost
But glory you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through
And Lord I am so sorry that I ever doubted you
[Bridge]I was so lost but
Glory you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through and Lord
I'm sorry that I ever doubted you (I ever doubted youuuuu)
[Chorus fade out]I was so lost
But glory you found me

Dusted me off
Now your angels surround me
I know you knew something new would pull through
And Lord I am so sorry that I ever doubted you
