

# The Light

## Common

Yeah

Doo doo doo, mmm, mmm, mmm, mmm, mmm

Doo doo doo, diggy-doo yoI never knew a luh, luh luh, a love like this

Gotta be somethin' for me to write this

Queen, I ain't seen you in a minute

Wrote this letter and finally decide to send itSigned, sealed, delivered for us to grow together

Love has no limit, let's spend it slow forever

I know your heart is weathered by what studs did to you

I ain't gon' assault 'em 'cause I probably did it tooBecause of you feelings I handle with care

Some niggaz recognize the light but they can't handle the glare

You know I ain't the type to walk around with matchin' shirts

If relationship is effort I will match your workI wanna be the one to make you happiest, it hurts you the most

They say the end is near, it's important that we close

To the most, high

Regardless of what happen on him let's relyThere are times when you'll need someone

I will be by your side

There is a light that shines

Special for you and me

Yo, yo, check itIt's important we communicate

And tune the fate of this union to the right pitch

I never call you my bitch or even my boo

There's so much in a name and so much more in youFew understand the union of woman and man

And sex and a tingle is where they assume that it land

But that's fly by night for you and the sky I write

For in these cold star night's moon, you my lightIf heaven had a height, you would be that tall

Ghetto to coffee shop, through you I see that all

Let's stick to understandin' and we won't fall

For better or worse times, I hope to me you callSo I pray everyday more than anything friends will stay as we

begin to lay

This foundation for a family love ain't simple

Why can't it be anything worth having you work at annually?

Granted we known each other for some time

It don't take a whole day to recognize sunshineThere are times when you'll need someone

I will be by your side, oh darling

There is a light that shines

Special for you and me

Yeah, yo, yo, check itIt's kinda fresh you listen to more than hip-hop

And I can catch you in the mix from beauty to thrift shop

Plus you ship hop when it's time to, thinkin' you fresh

Suggestin' beats I should rhyme to  
At times when I'm lost I try to find you  
You know to give me space when it's time to  
My heart's dictionary defines you, it's love and happiness  
Truthfully it's hard tryin' to practice abstinence  
The time we committed love it was real good  
Had to be for me to arrive and it still feel good  
I know the sex ain't gon' keep you, but as my equal  
It's how I must treat you  
As my reflection in light I'm a lead you  
And whatever's right, I'm a feed you  
Digga da, digga da, digga da, digga digga da da  
Yo I tell you the rest when I see you, peace  
There are times when you'll need someone  
I will be by your side  
There is a light, that shines  
Special for you and me  
I'll take my chances before they pass, pass, pass  
Pass me by, oh darling  
You need to look at the other side  
You'll agree
