

# Bk Baby

**Ben Kweller**

Verse 1:

stop, collaborate and listen,  
BKs back with my brand new invention,  
something grabs ahold of me tightly,  
flow like a harpoon daily and nightly. Chorus 1:  
would it ever stop, yo I don't know,  
turn on the light and I'll glow,  
to the extreme I rock the mic like a vandal,  
light up the stage and watch me jump like a candle,  
damn, well I'm kickin' that boon,  
I'm poisonous like a poisonous mushroom.  
if there is a problem I will solve it.  
check out the hook while my dj revolves it.  
Ice, Ice, baby too cold to hold.  
Ice, Ice, baby too cold to hold. Verse 2:

Rollin' in my gray volvo,  
with the ragtop down so my hair can blow,  
girlies on standby waitin' just to say hi,  
did I stop?, No I just rode by. Chorus 2:  
Should I stop, hey I don't know,  
turn on the light and I'll glow,  
to the extreme I rock the mic like a vandal,  
light up the stage and watch me jump like a candle,  
damn, well I'm kickin' that boom,  
I'm poisonous like a poisonous mushroom.  
if there is a problem baby I will solve it.  
check out the hook while my dj revolves it.  
Ice, Ice, baby too cold to hold.  
Ice, Ice, baby too cold to hold. Outro:  
Dr Dre ain't got nothin' on me,  
or the snoop d.o. double g
