

Is Chicago, Is Not Chicago

Soul Coughing

A man drives a plane
Into the Chrysler building
A man drives a plane
Into the Chrysler building
Saskatoon is in the room
Poulsbo is in the room
Bennetsville is in the room
Palmyra is in the room
Is Chicago
Is not Chicago
Is Chicago
Is not Chicago
A man cuts in half
Just like he snaps a pencil
A man cuts in half
Just like he snaps a pencil
Khartoum is in the room
Phnom Penh is in the room
Pyongyang is in the room
Cairo is in the room
Is Chicago
Is not Chicago
Is Chicago
Is not Chicago
A man drives a plane
Into the Chrysler building
A man drives a plane
Into the Chrysler building
Into the, into the, into the, into the
